

It takes a lot of people to set Christmas in Fairview Park! We are thankful for the many groups and organizations that help with set-up by adopting a display. We couldn't keep this Casey tradition alive without you. Thank you for your help! Adopting one of Christmas in Fairview Parks light displays is a fun and festive way to get into the holiday spirit while also giving back to our community. If you are interested in adopting a display, please contact Shane Todd (217-276-7886) or Bailey Maulding (217-251-6792) or email christmasinfairviewpark@gmail.com

Adopt a Display - \$1,000 Level
